The signing of key player John Southall to PPS is sure to delight their fans. Johns ability to estimate and liaise with customers is what has made him such a vital signing to the PPS team.

CRUCIAL

Managing Director Steve Burrows is confident that signing John will keep his team at the top of the table. "Johns ability to keep his eye on the ball is crucial in this game" said Burrows. "I am sure that in this second half of this season, signing John will keep us at the top."

Fellow Directors Dean Brettle and Russell Hall have played alongside Southall at a previous

club. They both know that he is a key member of a successful team. "His experience will be essential in the dressing room, I am sure he will gel into the existing squad very quickly" said Hall.

SUCCESS

"PPS is at the top of the table because of hard work and nothing else" said Brettle "but we cannot take anything for granted, if you want to stay at the top you have to build on success"

"John has spent 10 years performing at the highest level", said Burrows "his acquisition is imperative to the success of this club."

Southalls' first game is March 1st.

"We have received work from our web site alone" said Steve Burrows.

PROFESSIONAL

"With the on-line quoting system we now have up and running, the web site is going from strength to strength." added Dean Brettle.

"Our web site manages to look professional and still be easy to use." said Russell Hall.
